

The Darwin Sailing Club Inc.

Darwin Sailing Club
2020 Season
PATRON'S TROPHY STERNCHASER
13th September 2020

First Start: 1400 hrs.

All divisions

The start times will be emailed to all entrants, posted on the Notice Board under the Tower and on the DSC website www.dwnsail.com.au on Saturday 12th September.

If you don't have a start time for your boat, please contact the Sailing Manager at sm@dwnsail.com.au before 1500 hrs Saturday.

Starters must confirm intention to race by sailing past the stern of, and hailing, the Start Boat at least five minutes prior to their published start time. Boats with VHF radios, may confirm by responding to a five minute advice on VHF Ch. 73

Starting Sequence

The start sequence will be as follows:

First start with a normal (RRS 26) 5 minutes start sequence. Subsequent starts will be by reference to the time clock displayed at the stern of the Start Boat. Starters may receive a sound signal at their start time.

Check your time on the start time sheet attached to these Sailing Instructions or under the Tower.

Boats starting early will be have twice their early time added to their finish time.

RACE COURSE and FORMAT

All divisions: Start – 1 – 2 – 3 (repeated).

The Start Line will be between the staff showing an orange flag on the Start boat and the course side of a cylindrical orange buoy on the starboard side of that boat.

Each competitor must pass through the finish line on each lap. All Marks left to Port.

The Darwin Sailing Club Inc.

The leader's lap numbers will be displayed on the Start Boat so everyone will be able to know how far from the lead they are. The Start Boat will keep a record of each entrant's lap, but it is recommended that everyone also count their laps.

After 120 minutes of racing there will be a long sound signal and the blue flag will be flown on the Start Boat. As each boat completes that lap, they will finish, with their finish time and number of laps being recorded.

The winner is the boat with the highest number of completed laps. In the event that more than one boat finishes with the same lap count, the placings will be determined by the first boat to finish with that lap count placing 1st, the second to finish placing second etc.

The result will be confirmed by the Race Committee and will be final. This changes Rule 61.1.

Additional Information

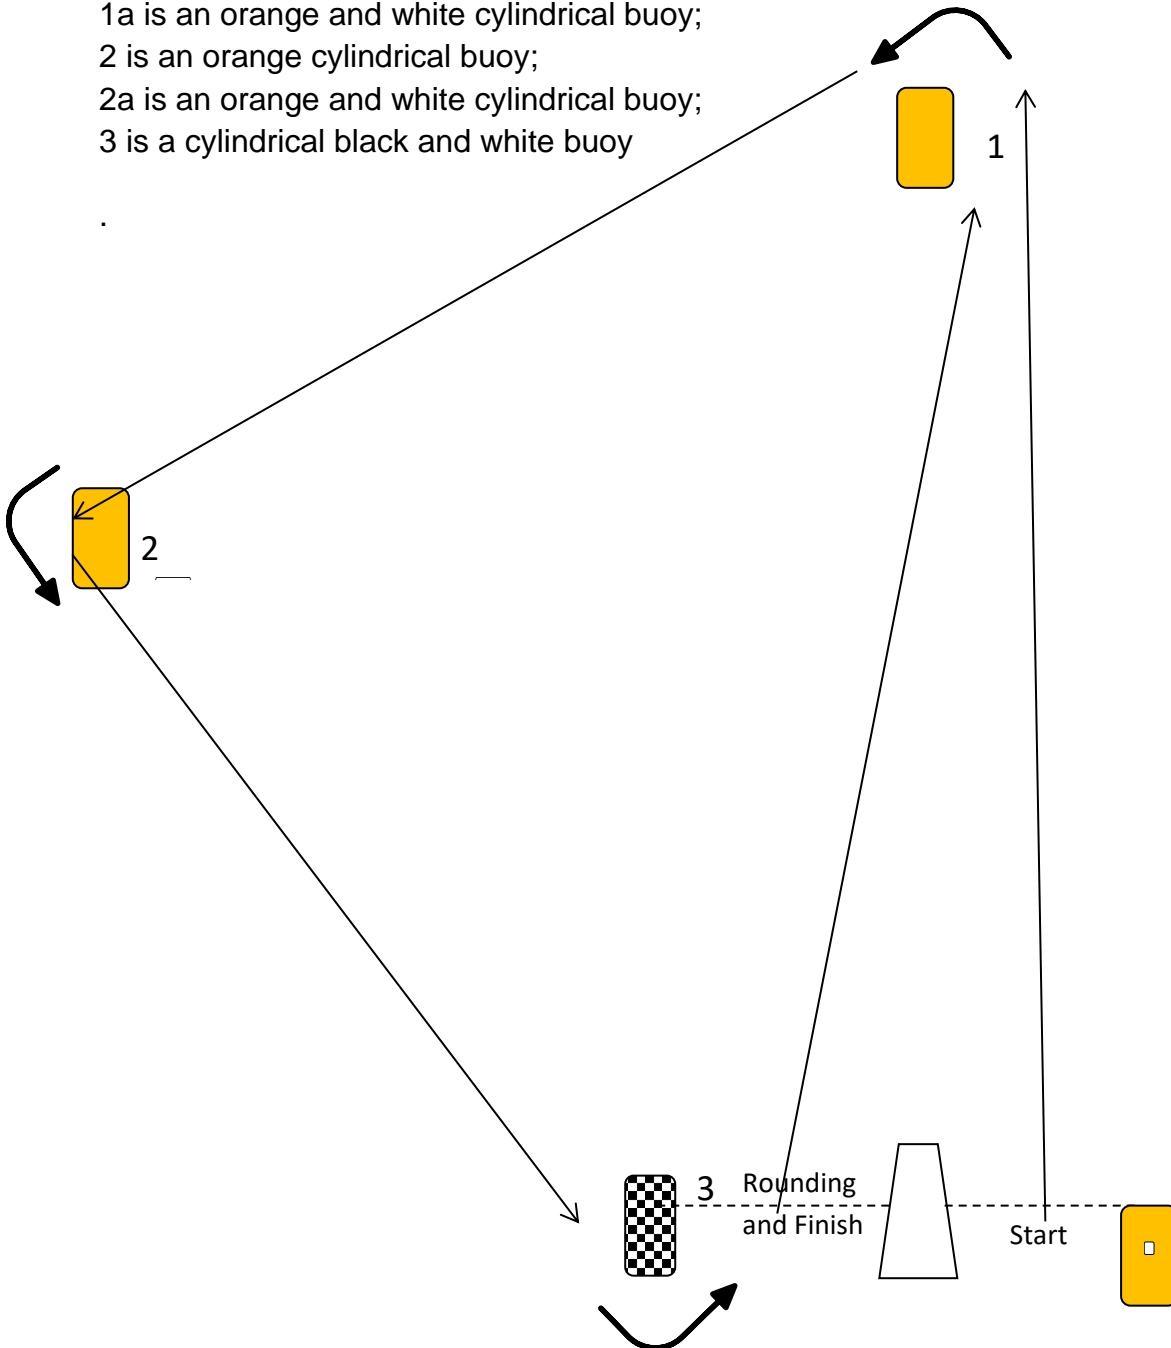

Refreshments will be available at the DSC from 1730 hrs followed by the presentation by the DSC Patron, Her Honour the Honourable Vicki O'Halloran, at 1800 hrs sharp.

Description of the buoys

The start will be between the cylindrical orange buoy and the Start/Finish boat.

- 1 is an orange cylindrical buoy;
- 1a is an orange and white cylindrical buoy;
- 2 is an orange cylindrical buoy;
- 2a is an orange and white cylindrical buoy;
- 3 is a cylindrical black and white buoy
